- (b) Subject to clause 7.5, interest will be calculated on the Outstanding Face Value at an interest rate of 10% per annum.

**7.2 Interest payable contemporaneously with the advance of Subscription Monies**

- (a) On any day that the Subscriber advances Subscription Monies to Allegiance USA (**Advance Date**), Allegiance USA becomes immediately indebted to the Subscriber for the interest in respect of the Prepaid Interest Calculation Period such interest to be calculated on the basis that:

- (i) interest is payable on the Outstanding Face Value at an interest rate of 10% per annum; and
- (ii) no amount of the Outstanding Face Value is converted into Ordinary Shares or repaid before the Prepaid Interest Repayment Date,

and Allegiance USA must pay such amount to the Subscriber on the Advance Date, which amounts will be paid by way of the Subscriber withholding such amounts from amounts that it is required to pay to Allegiance USA on the relevant Advance Date.

- (iii) the Tranche 1 Subscription Monies, the amount to be withheld under this clause is \$6,140,000; and
- (iv) the Tranche 2 Subscription Monies, the amount to be withheld under this clause is \$2,431,428.

- (b) If any amount of the Outstanding Face Value is converted into Ordinary Shares or redeemed at any time before the Prepaid Interest Calculation Date then the Subscriber must, within 7 days after the date of conversion or redemption repay to Allegiance USA an amount determined in accordance with the following formula:

D is any amount previously paid to Allegiance USA under this clause 7.2(b).

-

By way of example, if:

- (i) the Outstanding Face Value on the Prepaid Interest Calculation Date is \$10,000,000;
  - (ii) the prepaid interest on that date is \$2,000,000;
  - (iii) \$4,000,000 of the Outstanding Face Value is converted 12 months before the Prepaid Interest Repayment Date such that the new Outstanding Face Value is \$6,000,000
- then
- (iv) the Subscriber must repay \$400,000 to Allegiance USA on the basis that of the \$2,000,000 prepaid interest:
    - (A) \$1,000,000 of prepaid interest is retained for the first 12 months after the Prepaid Interest Calculation Date; and

  - (i) any amount of the Outstanding Face Value that is due and payable, but unpaid; and
  - (ii) any interest payable but unpaid under clause 7.1.
- (b) The rate of interest payable under this clause is 15% per annum.

---

**7.6 Accrual of Interest**

The interest payable under clause 7.5:

- (a) accrues day to day from and including the due date for payment up to the actual date of payment, before and, as an additional and independent obligation, after any judgment or other thing into which the liability to pay the Outstanding Face Value becomes merged; and
- (b) may be capitalised by the Subscriber at monthly intervals.

- (c) not declare or pay any dividend or distributions.

**8.2 Audit**

- (a) AHQ must permit any representative of the Subscriber, with reasonable notice, from time to time (including in respect of any request by the Subscriber made in accordance with clause 16.9(b)) but no more than once every 12 months, to visit and inspect the property, projects and operations of the Group, and inspect and take copies of the bank accounts of any member of the Group's, accounts, books and records, at reasonable times and at those times permit any representatives of the Group to discuss the affairs, finances, accounts, use of the Subscription Monies, debt levels of the Group and condition of the Group with the officers and employees of the Subscriber and the advisers of the Subscriber (including independent accountants).

Subject to this clause 9 and subject to clause 10.1, on the Repayment Date Allegiance USA must redeem the Note and pay the Outstanding Face Value in respect of the Note to the

Subscriber together with all costs, fees and unpaid interest required to be paid pursuant to this Agreement.

**9.2 Early Redemption**

- (a) Allegiance USA may, on or before the Repayment Date, deliver to the Subscriber notice of its intention to redeem all of the Outstanding Face Value of the Note in a single tranche by paying the full amount of the Outstanding Face Value to the Subscriber (**Repayment Notice**). The Repayment Notice must:

- (b) The Subscriber may (at its sole discretion):

- (d) Allegiance USA need not (but may at its election) make a payment to the Subscriber pursuant to this clause unless the Subscriber surrenders to it the Note Certificate for the Note.
- (e) Contemporaneously with redemption of the Note pursuant to this clause 9.2:
  - (i) Allegiance USA must pay to the Subscriber a fee equivalent to 2.5% of the Outstanding Face Value that is redeemed so that the amount to be repaid pursuant to this clause is increased to 102.5% of the Outstanding Face Value; and
  - (ii) Allegiance USA must cause AHQ to, and AHQ must issue to the Subscriber (at no cost to the Subscriber) the number of Options determined in accordance with the below formula:

$$N = RA/C$$

where

*N = Number of Options to be issued*

---

*RA = the amount to be repaid pursuant to this clause; and*

*C = the Conversion Price.*

For the avoidance of doubt, where Allegiance USA has issued a Repayment Notice and the Subscriber has elected to convert all or some of the Outstanding Face Value under clause 6.2(b)(i) no Options will be issued to the Subscriber in respect of the amount converted.

- (f) Notwithstanding any other provision in this Agreement, the obligation to issue Options pursuant to clause 9.2(e)(ii) is not conditional on the receipt by AHQ of prior shareholder approval. Accordingly, Allegiance USA may only exercise its early redemption rights pursuant to clause 9.2(a) if AHQ has sufficient placement capacity under ASX Listing Rule 7.1 or has obtained prior shareholder approval in accordance with ASX Listing Rule 7.2 to issue the number of Options required by clause 9.2(e)(ii) and AHQ must ensure that if Allegiance USA exercises the early redemption right that AHQ maintains that placement capacity until the Options are issued.
- (g) Allegiance USA must not exercise its redemption rights under this clause 9.2 if it is reasonably likely that AHQ will be subject to a Control Event.
- (h) Allegiance USA does not have the right to redraw on any portion of the Note that has been redeemed.

### 9.3 Payments in gross

Allegiance USA shall report the payment of interest on Form 1042 and Form 1042-S.

### 9.4 Additional payments

Subject to the Subscriber's compliance with clause 9.3(b), if there is a deduction or withholding in respect of Tax from any payment to be made to the Subscriber, AHQ or Allegiance USA (as the case may be):

- (a) indemnifies the Subscriber against that Tax; and
- (b) must pay to the Subscriber an additional amount which the Subscriber determines to be necessary to ensure that the Subscriber receives when due a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount it would have received if a deduction or withholding or payment of Tax had not been made.

## 10 Conversion

---

### 10.1 Conversion

- (a) Subject to clause 10.1(c), the Subscriber may, at any time before midnight on the day immediately preceding the Repayment Date, convert a Note (or a portion of a Note) into Ordinary Shares by giving a Conversion Notice to Allegiance USA and AHQ. To the extent that any portion of the Outstanding Face Value of a Note remains unconverted, more than one Conversion Notice may be issued in respect of the same Note.
- (b) Allegiance USA and AHQ must convert a Note upon receipt of a valid Conversion Notice given by the Subscriber to Allegiance USA and AHQ in accordance with clause 10.1(a), with allotment of Ordinary Shares on Conversion in accordance with clause 11.2.

- 
- (c) Notwithstanding any other provision of this Agreement:
- (i) the issue of Ordinary Shares on Conversion is subject to and conditional upon the issue of the relevant Ordinary Shares not resulting in any person being in breach of section 606(1) of the Corporations Act and if a the issue of Ordinary Shares on Conversion would result in a breach of section 606(1) of the Corporations Act then the notice will be taken to have be withdrawn to the extent that it cannot be converted and Allegiance USA must issue a replacement Note for the amount not able to be converted and any unconverted Outstanding Face Value; and
  - (ii) AHQ will not be required to seek the approval of its members for the purposes of item 7 of section 611 of the Corporations Act to permit the issue of any Ordinary Shares on Conversion.

## 10.2 Conversion Notice

- (a) A Conversion Notice requires Allegiance USA to convert the Note (or a portion of any Note) in the Conversion Notice:
  - (i) as at the relevant Conversion Date; and
  - (ii) to the extent specified in the Conversion Notice.
- (b) A Conversion Notice must specify in respect of the Note (or a portion of a Note) to be converted, the amount (or portion) of the Outstanding Face Value to be converted. Where a portion of the Outstanding Face Value is to be converted, the portion must be no less than \$200,000 (or the balance of the Outstanding Face Value if less than \$200,000).
- (c) A Conversion Notice for Conversion of some or all of a Note must be accompanied by the Note Certificate for the Note to be converted. Where:
  - (i) the Conversion Notice is not accompanied by the Note Certificate for a Note to be converted because it is lost or destroyed; and

then the Conversion Notice will be deemed to have been properly given on the date that is received by Allegiance USA in accordance with this Agreement.
- (d) A Conversion Notice given under this clause 10 cannot be withdrawn without the consent of Allegiance USA.

## 10.3 Conversion Ratio

$$A = \frac{B}{C}$$

where:

- A = the number of Ordinary Shares to be issued;
- B = the portion of the Outstanding Face Value of the Note specified in the Conversion Notice; and
- C = the Conversion Price.

---

## **11 Conversion Notice**

---

### **11.1 New Note Certificate**

If less than the Outstanding Face Value of the Note immediately before the Conversion Date is to be converted Allegiance USA must issue to the Subscriber a new Note Certificate for the Outstanding Face Value immediately following the Conversion Date and must update the Register of Noteholders accordingly.

### **11.2 Allotment and ranking of shares**

- (a) Each Ordinary Share issued upon Conversion must:
  - (i) be allotted within five Business Days after the Conversion Date;
  - (ii) be issued in accordance with the constitutional documents of AHQ and the relevant provisions of the Corporations Act and Listing Rules; and
  - (iii) rank equally with, and have all rights, benefits and obligations identical with, the existing Ordinary Shares.
- (b) The Ordinary Shares issued on Conversion will participate in full in any dividend payment or other entitlement in respect of Ordinary Shares where the Subscriber gives a Conversion Notice on or before the entitlement date (including a Bonus Entitlement Date) for the dividend payment or other entitlement.
- (c) The issue of the Ordinary Shares calculated in accordance with this Agreement will be treated for all purposes as full repayment by Allegiance USA of that portion of the Outstanding Face Value converted.

## **12 Reconstructions and anti dilution**

---

### **12.1 Reconstructions**

- (a) If there is a reconstruction of the issued capital of AHQ, including without limitation any:
  - (i) reduction, repayment by way of reduction, consolidation or reclassification or division of the issued capital of AHQ;
  - (ii) an issue of Ordinary Shares by way of capitalisation of profits or reserves; or
  - (iii) an issue of Ordinary Shares in lieu of dividends or distributions,
 then the basis for conversion of the Note will be reconstructed in the same proportion and manner as the reconstruction of the issued capital of AHQ or otherwise in a manner that would eliminate any disadvantage to the Subscriber and subject to the

---

same provisions (if any) with respect to the rounding of entitlements as are sanctioned by the meeting of shareholders of AHQ which approves that reconstruction. Such reconstruction must not result in the Subscriber receiving a benefit that holders of Ordinary Shares do not receive.

- (b) Until such time as the Outstanding Face Value has been unconditionally repaid in full or has been fully converted into Ordinary Shares (as the case may be), AHQ must not enter into any agreement with a third party for the issue of any options, performance rights, warrants or other convertible instruments, without the prior written consent of the Subscriber (such consent not to be unreasonably withheld or delayed). This restriction does not apply to any options and performance rights issued pursuant to any employee incentive scheme of AHQ or any issue of Ordinary Shares on conversion or exercise of any convertible securities on issue before the date of this Agreement.
- (c) If AHQ conducts a bonus issue while the Note is on issue, the basis for conversion of the Note as at the record date of the bonus issue must be adjusted by the number of bonus Ordinary Shares that the Subscriber would have received if the Note had been exercised prior to the record date for the bonus issue.
- (d) If AHQ issues Ordinary Shares (other than on conversion of Note or pursuant to a pro rata (other than a bonus issue) the Conversion Price must be adjusted by applying a discount equivalent to the amount raised as part of a fundraise as a proportion of AHQ's market capital immediately prior to the fundraise. For example, if AHQ undertakes a capital raise to raise \$10 million when its market capital is \$100 million, then the Conversion Price must be reduced by 10%. This clause will not apply in respect of an issue of Ordinary Shares for which the subscription price is above the Conversion Price. To avoid doubt, if any other benefit is to be granted a subscriber for Ordinary Shares (such as a free option), then this clause will apply to such fundraise.
- (e) If there is a pro rata issue (except a bonus issue), the Conversion Price will be reduced according to the following formula (or as otherwise defined in the ASX listing rules):

$$C_n = C_o - \frac{[P - (S + D)]}{N + 1}$$

where:

- C<sub>n</sub>** = the new Conversion Price
- C<sub>o</sub>** = the old Conversion Price
- P** = the average market price per security (weighted by reference to volume) of the underlying securities during the 5 trading days ending on the day before the ex-right date or the ex-entitlements date;
- S** = the subscription price for a security under the pro rata issue;
- D** = dividend due but not yet paid on the existing underlying securities (except those issued under the pro rata issue);
- N** = the number of securities with rights or entitlements that must be held to receive a right to one new security.

However this does not apply to Ordinary Shares issued as part of a bonus share plan, share top up plan, share purchase plan, dividend reinvestment plan or an employee incentive plan.
